

About You

Job function

- o GM Personnel
- o Manager
- o Marketing & Sales
- o Production
- o Planning
- o Maintenance
- o Engineer
- o Finance / Accounting
- o Purchasing
- o Other (please specify)

What are the main purposes of your visit?

- o To gather general market / product information
- o To study new products / technologies
- o To buy new products / services
- o To maintain existing business relations
- o To establish new business contacts
- o To observe competitors
- o Personal interest

How did you find out about this exhibition?

- o Direct mail invitation from the organizer
- o Invitation from organizer
- o Invitation from exhibitor
- o Recommendation from related associations
- o Show website
- o Magazine advertisement / Editorials / Reports

Hakkınızda

İş yerinizdeki göreviniz

- o Üst Düzey Personel
- o Yönetici
- o Pazarlama / Satış
- o Üretim
- o Planlama
- o Bakım – Teknik Destek
- o Mühendis
- o Finans / Muhasebe
- o Satınalma
- o Diğer (lütfen belirtiniz)

Fuarı ziyaret etmekteki amacınız ne(ler)dir?

- o Ürün ve pazar hakkında bilgi almak
- o Yeni ürün ve teknolojiler hakkında bilgi almak
- o Yeni ürün ve hizmet satın almak
- o Varolan iş bağlantılarını sürdürmek
- o Yeni iş bağlantılarını kurmak
- o Rakip firmaları takip etmek
- o Şahsi ilgi

ANKIROS / ANNOFER 2014'ten nasıl haberdar oldunuz?

- o Organizatörden gelen e-davetiye
- o Organizatörden gelen davetiye
- o Katılımcıdan gelen davetiye
- o Sektör derneklerinden gelen davetiye
- o Fuarın web sitesi
- o Dergi / Gazete reklamları

Dear Exhibitor, you can write your company's name and your stand number in this box. Sayın Katılımcımız, bu kutucuğa firmanızın ismini ve stand numaranızı yazabilirsiniz.

We are looking forward to seeing you in our stand
Sizi standımızı ziyarete bekliyoruz

Concurrent Congresses

7th International Ankiros Foundry Congress
Organized by TÜDÖKSAD - the Turkish Foundry Association

17th International Metallurgy & Materials Congress
Organized by the UCTEA Chamber of Metallurgical Engineers

2nd Steel Technologies Summit
Organized by EB Ynt. Summit with the support of TÇÜD

Eş Zamanlı Kongreler

7. Uluslararası Ankiros Döküm Kongresi
TÜDÖKSAD Organizasyonu

17. Uluslararası Metalurji ve Malzeme Kongresi
TMMOB Metalurji Mühendisleri Odası Organizasyonu

2. Çelik Teknolojileri Zirvesi
TÇÜD Desteği ile EB Ynt Summit Organizasyonu

ANKIROS Display Categories / ANKIROS Ürün Grupları

FOUNDRIES

Melting plants and equipment • Refractory technology • Pouring equipment • Melting materials and consumables • Molding and core making equipment and plants • Pattern and die making • Materials handling, transportation and storage • Auxiliary systems • Control systems, measuring, testing and analysis • Information processing • Safety, environmental control and waste removal and recycling • Research, consulting, training and services • Foundry plants; turnkey installation, planning, construction, engineering • Systems for environmental protection and disposal, gas purification • Process control and information processing • Refractory materials and products, insulating materials • Molding and core making materials • Molding material preparation and sand reclamation • Casting machines and equipment • Knock-out, fettling and finishing • Heat treatment and drying • Representatives, Traders • Foundry products • Related associations and press

IRON & STEEL PRODUCTION

Plant and equipment for processing prime, charge and raw materials • Metallic charge materials • Plant and equipment for iron making • Plant and equipment for steelmaking • Plant and equipment for casting and pouring of molten steel • Plant and equipment for shaping of steel • Materials handling, transportation and storage • Miscellaneous equipment for metallurgical plants and rolling mills • Safety, environmental control, waste removal and recycling • Research, consultation, planning, financing, services • Representatives, Traders • Iron and steel mills; turnkey installation, planning, construction, engineering • Iron and steel products • Related associations and press

DÖKÜMHANELER

Melting plants and equipment • Refractory technology • Pouring equipment • Melting materials and consumables • Molding and core making equipment and plants • Pattern and die making • Materials handling, transportation and storage • Auxiliary systems • Control systems, measuring, testing and analysis • Information processing • Safety, environmental control and waste removal and recycling • Research, consulting, training and services • Foundry plants; turnkey installation, planning, construction, engineering • Systems for environmental protection and disposal, gas purification • Process control and information processing • Molding and core making materials • Molding material preparation and sand reclamation • Casting machines and equipment • Knock-out, fettling and finishing • Heat treatment and drying • Representatives, Traders • Foundry products • Related associations and press

DEMİR-ÇELİK ÜRETİMİ

Plant and equipment for processing prime, charge and raw materials • Metallic charge materials • Plant and equipment for iron making • Plant and equipment for steelmaking • Plant and equipment for casting and pouring of molten steel • Plant and equipment for shaping of steel • Materials handling, transportation and storage • Miscellaneous equipment for metallurgical plants and rolling mills • Safety, environmental control, waste removal and recycling • Research, consultation, planning, financing, services • Representatives, Traders • Iron and steel mills; turnkey installation, planning, construction, engineering • Iron and steel products • Related associations and press

ANNOFER Display Categories / ANNOFER Ürün Grupları

Plant and equipment for processing prime and raw materials • Plant and equipment for non-ferrous metal production • Plant and equipment for casting and pouring of non-ferrous metals • Plant and systems for shaping of non-ferrous metals • Plant and systems for environmental protection and disposal, gas purification • Materials • Electrical engineering and process control technique • Measuring and testing techniques • Information processing • Miscellaneous equipment for metallurgical plants and rolling mills • Research Consultation, planning, financing services • Non-ferrous metallurgical plants; turnkey installation, planning, construction, engineering • Representatives, Traders • Non-Ferrous Products • Related associations and press

Plant and equipment for processing prime and raw materials • Plant and equipment for non-ferrous metal production • Plant and equipment for casting and pouring of non-ferrous metals • Plant and systems for shaping of non-ferrous metals • Plant and systems for environmental protection and disposal, gas purification • Materials • Electrical engineering and process control technique • Measuring and testing techniques • Information processing • Miscellaneous equipment for metallurgical plants and rolling mills • Research Consultation, planning, financing services • Non-ferrous metallurgical plants; turnkey installation, planning, construction, engineering • Representatives, Traders • Non-Ferrous Products • Related associations and press

BU FUAR 5174 SAYILI KANUN GEREĞİNCE TOBB (TÜRKİYE ODALAR VE BORSALAR BİRLİĞİ) İZİNİ İLE DÜZENLENMEKTEDİR.

Transportation to TUYAP / TÜYAP'a Ulaşım

Transportation to TUYAP By Car:

TUYAP Fair and Congress Center is located at E-5 Büyükkçekmece direction. You need to follow the Trans-European Motorway (TEM) through the Mahmutbey Turnpike and take the Bahçeşehir-Avcılar exit. If you continue towards Avcılar, you will merge with the E5 expressway after 2 km by taking the Büyükkçekmece exit. Then you will reach the TUYAP Fair and Convention Center in 3 km.

Transportation to TUYAP via Metrobus:

You can reach the fair ground via Metrobus from Söğütöçme without any additional tickets by using Zincirlikuyu, Cevizliabağ (34C) and Avcılar (34B) routes.

Transportation to TUYAP via IETT Busses:

You can get to the fair ground via IETT busses. Please check updated bus lines from www.iett.gov.tr.

Transportation to TUYAP via Marmaray:

You can use Marmaray from Üsküdar Station (Anatolian Side) to Kazlıçeşme Station and then you can get metrobus from Cevizliabağ and Zeytinburnu metrobus stations via IETT ring tour to reach the fair ground.

*You can visit fair web pages for updated service hours.

Araç ile TÜYAP'a Ulaşım :

Tüyap Fuar ve Kongre Merkezi E-5 Büyükkçekmece istikametinde bulunmaktadır. Tüyap Fuar ve Kongre Merkezi'ne, TEM otoyolu Edirne istikametinde, Avcılar – Bahçeşehir çıkışından E-5'e bağlanarak, Hadımköy – Büyükkçekmece çıkışından ulaşabilirsiniz.

Metrobüs ile TÜYAP'a Ulaşım:

Metrobüs'ü kullanarak Söğütöçme'den itibaren ilave bilet kullanmadan TÜYAP önüne kadar ulaşabilirsiniz. Metrobüs hattı, Zincirlikuyu, Cevizliabağ (34C) ve Avcılar (34B) üzerinden fuar alanına kadar ulaşmaktadır.

İETT Otobüsleri ile TÜYAP'a Ulaşım:

İETT Otobüsleri ile fuar alanına kadar ulaşım sağlayabilirsiniz. Güncel sefer bilgileri için lütfen www.iett.gov.tr adresini ziyaret ediniz.

Marmaray ile TÜYAP'a Ulaşım:

Anadolu yakasında Üsküdar'dan Marmaray'ı kullanarak ziyaretçiler; Kazlıçeşme durağında inerek İETT ring seferleri ile Cevizliabağ ve Zeytinburnu metrobüs istasyonlarına ulaşarak metrobüs aktarması ile fuar alanına ulaşabilirler.

* Güncel servis saatlerine fuar web sitelerinden ulaşabilirsiniz.

Visit the Global Gathering of the Metallurgy Industry ANKIROS / ANNOFER 2014 Fair

ANKIROS / ANNOFER Fairs is the largest metallurgy events of the World and will be organized on September 11-13 in Tüyap Fair and Congress Center, Büyükkçekmece, İstanbul. The fair will be the meeting point of more than 900 international and national companies of the industry.

The Fair will provide an opportunity to follow the latest technologies of the metallurgy sector of the world and also offer the most suitable suppliers and beneficial business opportunities for your needs.

Visiting ANKIROS/ANNOFER 2014 Fairs will provide you an opportunity;

- To do business in a world-class environment with professionals and suppliers.
- To visit leading steel producers of Turkey's in special halls for iron-steel.
- To visit TURKCAST 2014 where the leading Turkish foundry producers' power and foundry products will be displayed.
- To attend to concurrent congress.

Global Metalurji Sektörünün Dev Buluşması ANKIROS / ANNOFER 2014 Fuarını Mutlaka Ziyaret Etmelisiniz!

Dünyanın en büyük metalurji organizasyonlarından biri olan ANKIROS/ANNOFER 2014 fuarları ; 11-13 Eylül 2014 tarihleri arasında Tüyap Fuar ve Kongre Merkezi, Büyükkçekmece, İstanbul'da organize edilecektir ve sektörün hem yurt içi hem de yurtdışındaki önde gelen 900'ü aşkın firmayı bir araya getirecektir.

Fuar, ziyaretçilerine metalurji sektöründe dünyadaki en gelişmiş teknolojileri yakından takip edebilme imkanı sağlayacak ve ihtiyaçlarına en uygun tedarik alternatifleri ve karlı iş imkânları sunacak.

ANKIROS/ANNOFER 2014 Fuarını ziyaret ederek;

- Sektör profesyonelleri ve tedarikçileri ile dünya standartlarında bir ortamda iş yapma fırsatı yakalayacaksınız.
- Demir-çelik özel hollerinde ülkemizin önde gelen çelik üreticilerini ve çelik merkezlerini ziyaret etme imkanı bulacaksınız.
- Türk döküm sektörünün önde gelen üreticilerinin gücünün ve her türlü döküm ürününün sergilendiği TURKCAST 2014 Fuar'ını da ziyaret etme imkanı bulacaksınız.
- Eş zamanlı uluslararası kongreleri de izleyebilirsiniz.

About Your Company

Şirketinizin Hakkında

What is the nature of your business?

İşinizin niteliği

- Manufacturer / Producer
- Distributor / Representative
- Trader / Importer & Exporter, Wholesaler
- Service
- Other (please specify)

- Üretici
- Distribütör / Temsilci
- İthalatçı & İhracatçı, Toptancı
- Hizmet Sektörü
- Diğer (lütfen belirtiniz)

In which industry segment does your company operate?

İşinizin iştirigal konusu nedir?

- Iron-Steel
- Non-Ferrous
- Foundry
- Other (please specify)

- Demir-Çelik
- Demirdışı Metal
- Döküm
- Diğer (lütfen belirtiniz)

Which production category best describes your company?

Üretim tipi

- Integrated Mill
- EAF
- Rolling Mill
- Foundry
- Forging
- Heat Treatment
- Other (please specify)

- Entegre tesis
- Ark ocaklı tesis
- Haddehane
- Dökümhane
- Demir işleme
- Isıl işlem
- Diğer (lütfen belirtiniz)

Have you visited the exhibition before?

Fuarı daha önce ziyaret ettiniz mi?

- Yes
- No

- Evet
- Hayır
